MEETINGS SURROUNDED BY NATURE

Meetings, Incentives and Conferences

A peaceful setting. Spacious grounds – 40 acres of well-preserved nature – ideal for hosting private group events. Find focus away from the distractions of modern life. Amaya Lake hosts meetings for up to 300 persons in the Sabha conference hall and a variety of settings throughout the resort.

Hold a board meeting beneath the shade of the treetops in a quiet forest glade. Entertain with a business lunch on the shores of the lake. Conduct a seminar in the Warichchi Village, with its traditional thatched dwellings.

Amaya Lake is a popular destination for incentives. Our team can organize an array of activities and excursions. A company game of cricket by the lake. An excursion to the monuments of the Cultural Triangle. A nighttime jungle trek. Drinks by the pool. A billiards tournament over the open-air bar. An evening barbecue in an open-air pavilion.
